SUMMARY

I am a dedicated and aspiring computer science student with a strong academic background and a passion for learning and growth. Committed to utilizing my skills and knowledge in a professional setting, I take pride in my proactive approach and am eager to undertake challenges that contribute to both organizational success and my personal development.

EXPERIENCE

Freelancer – Remote | 2025 – Present

- Provided freelance services in **Canva design**, including social media graphics, presentations, and marketing materials.
- Worked collaboratively with a friend to complete tasks in the **Data Entry and Data Management** niche.
- Used tools like Excel, Google Sheets, and custom templates to manage datasets.

Social Media Marketing (Real Estate Project) – Remote / On-site | 2024 – 2025

- Handled **social media marketing** for a real estate project, including content creation, daily posting, and page management.
- Used platforms like Facebook, Instagram, and WhatsApp to generate leads and promote listings.
- Analyzed engagement data and adjusted strategies to improve visibility and reach.

HR Intern – Jubilee Life Insurance – Islamabad | Summer 2025

- Assisted in **recruitment processes**, including CV screening and coordinating interviews.
- Managed employee data and documentation for internal records.
- Participated in onboarding sessions and internal HR training programs.
